

This is to certify that

Macquarie Telecom Limited

A Level 1 Service Provider, as of the 23rd November 2020, has met the requirements of the Payments Card Industry Data Security Standard (PCI DSS). As a PCI DSS Qualified Security Assessor, Privasec Pty Ltd. attests that Macquarie Telecom cloud services and datacentres fully meet the requirements of the Payments Card Industry Data Security Standard as stated in Privasec issued Attestation of Compliance (AoC) and Report on Compliance (RoC) dated 23rd November 2020.

PCI DSS version 3.2.1 Compliant

Conditions:

This certificate offers no guarantee or warranty to any third party that the company is invulnerable to attack or breaches in its security, and Privasec Pty Ltd accepts no liability to any third party in the event of loss or damage resulting from a breach of customer's security.

This certificate is issued with a Report On Compliance as well as an Attestation of Compliance which are an inseparable part of this certification and is only valid as long as the applicable requirements of the PCI DSS listed in the Report of Compliance are upheld. It is the assessed entity's responsibility to maintain compliance with the applicable requirements throughout the certification period.
